
To facilitate processing of certain papers requiring immediate attention, Section B of the *Centralized Delivery* Official Gazette notice is further revised to add a fourth item as follows:

4. **Papers required by the Office of Patent Publication to be hand carried or faxed to the Office of Patent Publication**
   a. The applicant may hand-carry the correspondence to the Office of Patent Publication at 2231 Crystal Drive, Room 907, Arlington, VA 22202.
   b. The applicant may fax the documents directly to: (703) 746-4000

In preparation of a patent application for publication as a patent application publication or as a patent grant, it is sometimes necessary for applicants to promptly hand carry a required document to the Office of Patent Publication. Accordingly, in order to ensure that after allowance papers and documents needed for patent application publications are received in Publications, papers should be hand carried or faxed directly to the Office of Patent Publication, as required by that Office.

For information on this notice, contact the Office of Patent Publication at (703) 308-6789

Date: 2/26/2004

Signed: /s/ Stephen G. Kunin
Deputy Commissioner for Patent Examination Policy
